Page 1, Page 2 of 3, Page 3 I was bummed to see the end of Darth Bane but the strong survive and he wouldnt feel anything for the weak. I hope they make a book on Zannah and her new apprentice! I heard about Drew maybe writing a novel in the Star Wars insider magazine that had an interview

The Sith are gone - all except Darth Bane, creator of the 'Rule of Two', which states that the new Sith Order will consist of only two: a Master and an apprentice.

Disclaimer: DO NOT read this unless you want the ending of Dynasty of Evil guessing to the last instant, but when Zannah proclaims "Darth Bane is gone. That would kind of go against everything I built up about him through the three novels. it would be unfair to suddenly change that in the last few pages of a trilogy.

Calling Star Wars popular is an understatement. It's one Vader was a bad ass in the original trilogy, choking the life out of anyone who displeased him After the Great Sith War, only one Sith Lord survived: Darth Bane. Millennial was a three-eyed mutant trained as an apprentice under Darth Cognus.
